2 The Apltt Surgeon of Kolar has now made different proposals from those he made in the first instance. Leaving out the proposals made on behalf of the Compounders, he wants Rs: 22 rising to Rs 26/- in five years being sanctd to the estt instead of Rs 7 rising to 11 in 5 yrs.

decreases to Menials in Kolar and Tumkur (as originally proposed) which probably have been computed on a comparison for both local labour rates may be perhaps sanctioned.

7 The other increases proposed in Allpore &c were sent up merely on the pretext of our asking for a list of present Rates. The Senior Surgeon does not explain the need for increases ~~&c~~ or state his own opinion. For aught we know, he may not have noticed the fact of such applns for increase at all. I think these proposals shd be summarily rejected.

No 3 29/6
dated the 20th June 1902
In reply the Senior
Surgeon has forwarded
the original letters read
from the Deputy Medical

Medical Officers on the subject. From these letters it will be seen that there is a Dhoby ~~each~~ in the Dest to Head Hospitals at Shemoga and Kadur, who is paid Rs 5 and Rs 6/ respectively from the Contingencies of the Hospitals Concerned; that a washing charge of Rs 2-8-0 per mensem is incurred in the Hospital at ~~Kadur~~ Kolar out of its Contingencies that the washing charges in the Hospital at Chitaldrug are paid according to the no of cloths washed, the average cost per mensem being Rs 2/ that there is a water Cooly in the Hospital at Chitaldrug, who is paid Rs 7/- a month, from the Hospital Contingencies and that there is no ~~of~~ separate waterman for the Hospital at Shemoga, the dispy Cooly thereof supplying water in addn to his own duties in the

Washn charges at 8 Rs per cloth are also met from Contingencies and as Sanderson's Dr. [illegible] and

11 the Hospital, for which remuneration he is not paid anything.

14 The Senior Surgeon recommends that sanction may be accorded for the entertainment of a dhoby and a waterman on Rs 6/ and 5/ respectively per mensem in such of the Distt Head Qrs Hospitals as are now without them on the permanent estt

for a waterman have been 12
taken into Calculation.
Also in the Case of those
already borne on the
permanent establish
ment, but getting a
smaller pay, the same
has been raised in the
statement to that now
proposed but if they
are getting a higher rate
of pay the same has
been retained

Among Dhobies there are
two such, one at Nundkur, and
two others at Hassan

Among Dhobies there are

at Bangalore, 1 at Kolar Gold

Among watermen also, there
are 4; one at Kolar, one at
Gold Fields Hospital, one at

The total
22/8/02 amount spent at
present on account of
the Dhoby and waterman
is Rs 146-8-0 of this Rs 33-8-0
are paid out of Contingencies.
The proposed increase makes
a total cost of Rs 163-0-0
The increase is therefore Rs

No G 279

Dated 13 February 1903

Sir,

In forwarding the accompanying proposition statement for favourable consideration and orders of Government, I have the honor to recommend that Clerk Ramaraju of the Civil Hospital Kolar be given a small increase of Rs.5/- per mensem to his present pay Viz. Rs. 15/- considering his long approved service of about 29 years.

If the Government agree with me and accord sanction as recommended, I beg to state that after Clerk Ramaraju's retirement which cannot be at a very distant date his successor will be taken on Rs.15/- to begin with, and increments given of Re. 1 per annum till he reaches the maximum pay of Rs.20/-

The pay of the Clerks of the Civil Hospitals of Mysore Shemoga and Chickmuglur is Rs. 21/-, 20/- and 15-1-20 respectively and so the concession asked for on behalf of the clerk of the Civil Hospital Kolar is quite justifiable.

In accordance with the orders on the previous page, sanction was refused to increase the pay of the clerk of the Civil Hospital at Kolar from Rs 15/- to Rs 20/- a month as recommended by the Senior Surgeon.

In his present letter, the Offg: Senior Surgeon states that clerk T. G. Bala-Krishna Pillay who was getting a pay of Rs 20/- as clerk and Steward of the Civil Hospital at Shimoga, had to be transferred, on the score of health, to Hassan, where the pay of the clerk is only Rs 15/- a month and recommends that as the responsibility of clerical work in all the Dist Hospitals, excepting at the Victoria Hospital, Bangalore and General Hospital Mysore is on the same level an uniform pay of Rs 20/- may be sanctioned to the clerk of each Distt Hospital from the next official year, as per proposition statement submitted by him

There is some thing in this but

To meet such cases the pay may be made personal - i.e 1 on Rs 21 1 on Rs 20 7 on 15-1-20 & 4 on 15 each.

As per article 57 of the Civil Account Code, Vol I the proper statement should have been subd to Govt thro: the Comptr

The proposal involves an increase of Rs 20/- a month The pay of the Clerk of the Civil Hospl at Chikmagalur is a progressive one (15-1-20) and the Offg Senior Surgeon recommends

recommends that it should also be fixed at Rs 20/- per mensem

The responsibility of Clerical work in all the District Hospitals is, it is believed, on the same level excepting at the Victoria Hospital Bangalore and General Hospital Mysore.

I would therefore strongly recommend that an uniform pay of Rs. 20/- may be kindly sanctioned to the clerk of each district hospital as per accompanying proposition statement from the next official year as the small increase proposed to be given is only for 4 of the clerks of Kolar, Tumkur, Hassan & Chitaldroog Hospitals, including the Chickmaglur Civil Hospital, vide remarks at the foot note of the proposition statement.
